Introduction

This booklet provides basic information about the choices young people will have when they leave school. Educational options are broken down and listed by level. Your son or daughter's school and their Additional Needs Pathway Adviser will be able to advise you which levels to look at. However, please be aware that the colleges will also need to complete their own assessments before confirming which course would be the most appropriate for your young person.

Information on some of the other key issues that will change for young people over the next few years are also addressed. This includes education transport, care needs, money and benefits. There is also information about what your son or daughter may be able to do when they have completed their education and are ready to move out into the world as adults; whatever level of support they may need to do so.

This document does not currently include:

- Options above Level 1 (GCSE at D-G grades)
- Higher Education and related benefits

There is a great deal of information about general options and courses as well as other information on www.youthoria.org

Please speak to your Additional Needs Pathway Adviser for further information (contact details on p32).

Please note that this booklet gives basic information correct at the time of printing. You are advised to check for details, amendments and updates before making any final decisions. If you would like us to add anything or find something that is inaccurate please contact a member of the Preparing for Adulthood Additional Needs Team (pg 32).

Moving On – Choices and Options

A young person can leave school on the last Friday in June if they'll be 16 by the end of August . However there is a requirement for all young people to stay in education or training until they are 18. This can include local schools, colleges, training, apprenticeships, and even includes part-time learning where a young person also has a job.

When your son / daughter leaves school they are likely to have some or all of the following options available to them, depending on their level of ability, independence and support needs:

- Full-time education at college
- Training – either 'work-based' or 'foundation learning'
- Employment – open, supported or voluntary
- Social Care Options: supported living, residential care, and community based day activities - could include day centres, part-time college, social firms, community leisure or sport/fitness activities

Many young people leaving school move onto full-time college programmes, a stepping stone to future options. This gives further time in education to build skills and qualifications and help prepare for work or independent living. It is less common for special school leavers to move straight from school into training or employment.

Most special school leavers will be able to go to college to continue to build on their skills and abilities. Some will do courses aimed at particular areas of work; some will do general employability courses, while others will focus on life and independence skills.

College courses tend to last one or two years, but it is common for young people to do one course and then progress onto another. Young people can stay in education as long as they are making progress and there are courses for them to progress onto. Once a course has been completed, it cannot usually be repeated. Special school leavers tend to be able to stay at college for between 2 and 4 years.

Young people may continue to get the support they need funded through the High Needs Funding Block in colleges.

Young people pay no course fees between 16 - 18 years. However, fees may apply from 19 years. Advice should be sought from individual colleges.

If, and only if, a young person's needs cannot be met by any of the existing college courses (within or outside the college) then it may be possible to apply for specialist funding so that an individual package can be built around a young person's needs and aspirations. This is often referred to as 'Individual Curriculum Solutions' and is offered through the local regional colleges.

If, and only if, a young person's needs cannot be met by either of these options, they may be able to go to an out of county specialist residential college.

There were big changes to Statements of SEN in September 2014

The Children and Families Act introduced changes to the ways in which children and young people with special educational needs and disabilities (SEND) are supported. From September 2014 all existing statements of special educational needs will gradually be transferred to Education, Health and Care Plans (EHC Plans) over a three year period in line with government guidance. The Education, Health and Care Plan is for children and young people aged 0-25. It focuses on identifying individual outcomes and puts children, young people and their families at the centre of the assessment, planning and review process. EHC Plans will have the same protection in law as a Statement of Special Educational Needs.

Further details on EHC plans and the process for transferring existing Statements can be found at www.cambridgeshire.gov.uk/ehcplan

The Local Offer

All Local Authorities must publish a local offer. The local offer sets out the provision across education, health and social care for children and young people aged 0-25 with special educational needs and/or disabilities. The local offer will develop overtime and in consultation with parents, carers and young people.

Please visit :

http://www.cambridgeshire.gov.uk/info/20136/special_educational_needs_and_disabilities_local_offer

Qualifications and Levels explained

Schools, colleges and training providers use slightly different terminology when describing levels of achievement and qualifications. A young person usually needs to complete a full level before moving to the next level.

| School Levels | Qualification Levels |
|---|---|
| A Levels | A Levels Level 3 Qualifications |
| 4 / 5 GCSEs at A*-C Schools tend to stop using National Curriculum levels to measure progress at this point. | 4 / 5 GCSEs at A*-C Level 2 Qualifications |
| 4 / 5 GCSEs at D-G National Curriculum Level 4 to 7. | 4 / 5 GCSEs at D-G Level 1 Qualifications Foundation Learning |

| | |
|-----------------------------|---------------|
| National Curriculum Level 3 | Entry Level 3 |
| National Curriculum Level 2 | Entry Level 2 |
| National Curriculum Level 1 | Entry Level 1 |

| | |
|---|--------------------------|
| Performance Indicator 8 (P8) | Pre-Entry or Milestone 8 |
| Performance Indicator ...2, 3, 4, 5, 6, 7 ... | |
| Performance Indicator 1 (P1) | Pre-Entry or Milestone 1 |

How do I know the level my son/daughter is working at?

In Annual Reviews of your son or daughter's Statement /Education, Health and Care (EHC) Plan and/or at the end of each year in their school report, you will be provided with information about the level your child has achieved in each of the curriculum subjects.

The majority of students from special schools will be working between the P Scales and National Curriculum Level 3 or Entry Level 3. The majority of courses offered by our Area Special Schools are within these levels.

Foundation Learning

Foundation learning includes all qualifications and courses between Level 1 and Entry Level 1. Within foundation learning courses colleges are more likely to be able to support young people to learn different things at different levels. This means young people get a longer time to work on areas of weakness without it preventing them making progress in the areas they are interested in.

Level 1

These are for young people who have secure Maths and English Skills and are likely to be able to achieve a full Level 1 qualification, usually within one year, including Maths and English. Most special school leavers would benefit from starting a course within a college's Foundation Learning Provision.

Pre-Entry and Entry Level Courses

These courses are often suitable for young people with learning difficulties and disabilities, especially if they have achieved at Entry Level, but not at GCSE level. Entry Level 3 courses are also offered as an introduction to some vocational areas and are a good starting point. They are often completed by young people who have achieved some GCSEs at lower grades.

Cambridge Regional College

Level One

- Cert/Dip City and Guilds Work Based (Land Based) Operations at Milton Country Park
- Edexcel BTEC
- Certificate/Diploma (Art & Design)
- Diploma in Beauty Therapy
- Certificate in Business & Administration
- Skills for Business
- Certificate in Introduction to the Hospitality Industry

Area Special Schools

If your son/daughter is an existing student at an area special school you will have an opportunity to discuss the options available to your son/daughter at their review.

If your son/daughter does not currently attend an area special school then consideration for a post-16 place will be through the Annual Review of the Statement/EHC Plan.

Castle School Post 16

Castle School, Courtney Way, Cambridge, CB4 2EE, Tel: 01223 442400
head@castle.cambs.sch.uk

Castle 6th Form has 3 accreditation pathways that are based on pupil need. These are used to create individualised learning programmes with opportunities for personal development that can flow across the three pathways. Students have the opportunity to stay at the school for 2 or 3 years depending upon the path they choose or which is most suitable for them.

Pathway 1: Equals Moving On: for learners within Entry 1

This is a modular curriculum focusing on the following areas:

Communication, Numeracy, ICT, Science, Technology, Creativity, PSHE, Leisure and Recreation, Daily Living Skills and Work Related Learning.

Pathway 2: Life and Living Skills: for learners within Entry 1 and 2

This offers a range of units which can be selected to suit the particular needs and interests of the learner, these may focus on the following areas:

Communication, Maths, ICT, PSHE, Drama, Art, Music, Work Related Learning, Home Management and Leisure

Pathway 3: Entry level and Functional Skills for learners within Entry 1 to 3 and beyond.

A range of qualifications in academic and vocational areas which may include

- Functional skills English (OCR Living Texts), Maths, ICT
- AQA PSD (Entry 1 to Level 1)
- AQA Work Related Learning (Entry 1 to Level 1)
- Entry level DT/ food Tech
- GCSE Art

There is also a School Link Program with the College of West Anglia: NPTC EL2/EL3 Award in Skills for Working Life.

All students have the opportunity to participate in the Duke of Edinburgh Award; Bronze and Silver.

Granta School

Cambridge Road, Linton, Cambridge, CB21 4JB, Tel: 01223 896890

office@granta.cambs.sch.uk

- OCR Life and Living Skills Entry 1,2 & 3
- Duke of Edinburgh Award – Bronze, Silver and Gold
- Functional Skills: Maths, English and ICT
- Young Sports Leaders Award
- BTEC Level 1 & 2 Jamie Oliver Home Cooking course.
- City & Guilds NPTC Kills for Working Life Entry Level 1 & 2
- Opportunities for Link courses with CRC and the College of West Anglia
- Opportunities for work experience with local businesses and social firms.

Highfield School

Downham Road, Ely, Cambs, CB6 1BD, Tel: 01353 662085, office@highfield.cambs.sch.uk

- ASDAN Personal and Social Development (PSD) at Entry Level 1-3. Award (one year course) or certificate (2/3 year course).
- ASDAN (Personal Progress). This can be topped up with AQA units (Entry 1 or pre entry)

Foundation Learning in School Sixth Forms

- For learners with more profound learning difficulties they offer Transition Challenge. This starts in Key stage 4 and continues into Key Stage 5.
- Following Transition Challenge, learners will work towards ASDAN Personal Progress at Entry Level 1. Learners can gain an Award (8 credits), Certificate (14 credits) or Diploma (37 credits).

Meadowgate Post 16, Meadowgate Special School

Wisbech, Cambs. PE13 2JH. Tel: 01945
461836 Fax: 01945 589967
office@meadowgate.cambs.sch.uk

- Level 1 Certificate/Diploma Hospitality
- Level 1 Certificate/Diploma City & Guilds Hairdressing
- Level 1 Foundation project
- Level 1/ Maths (entry level 3 for Math is also offered), English and Functional skills

Individual Curriculum Solutions

Within Cambridgeshire, Individual Curriculum Solutions may be offered to young people aged 16-25 with complex or multiple learning difficulties and/or disabilities. The funding enables the young person to study at a Further Education College/or at an alternative setting under the oversight of a FE. College, with a bespoke programme that meets individual needs built around them. Their levels of study, interests and skills will all be taken into consideration.

The local colleges that offer access to Individual Curriculum Solutions are:

Huntingdonshire Regional College – individualised programmes encompassing skills based sessions and independent living and particularly skilled in working with young people on the autistic spectrum.

Cambridge Regional College – bespoke programmes both on and off site with outside providers, social enterprise firms and approved tutors.

Peterborough Regional College – Learning for Living courses at Entry level and programmes run in partnership with City College Peterborough

College of West Anglia – bespoke programmes considered for young people with a range of Learning Disabilities and Difficulties.

Specialist Independent College Provision

If, and only if, a young person's educational needs are so complex that they cannot be met locally on existing courses or through Individual Curriculum Solutions (and we have enough evidence to prove this), an application can be made for funding for a specialist residential college out of county. Funding for out of county provision has to be agreed by the Local Authority through a formal panel submission process.

It is expected that the needs of the majority of young people will be met through local Further Education provision. However, if this is not possible, consideration for placement at an independent specialist provision may be explored by the Local Authority. For further information regarding this process please contact your Special Educational Needs Casework Officer.

Social Firms

There are a number of organisations within Cambridgeshire set up by partnerships involving charities, local colleges and businesses. They provide vocational training and work-related activities for people with some sort of disability or disadvantage. Accreditations for young people are offered at entry levels 1-3 in vocational and life skills.

For young people, attendance is normally funded through a college or could be part of an Individual Curriculum Solutions package. For adults, attendance is normally funded by social care or from a person's own benefits.

Training opportunities range from cycle repair to catering, horticultural, IT, arts, crafts and ceramics, drama and performance, retail, printing, music technology, music, woodwork, recycling and customer service skills. The learning opportunities include social skills and personal development, independent living, portfolio building and careers advice and guidance.

It is possible to work towards nationally recognised qualifications. Help will then be provided to move on to a different learning or work opportunity, paid or voluntary as appropriate.

Bedazzle Performance Arts – drama and performance

T: 07841 990611

www.bedazzlearts.com/

Groups across the county and consideration of bespoke individual projects

Paid Employment

Like anyone else, young people with additional needs, who have reached school leaving age, are entitled to apply for work, whether full-time or part-time.

The Equality Act 2010, which replaced the Disability Discrimination Act 1995, requires employers not to discriminate against people because of their disability, and to make reasonable adjustments so that they could do the job. This applies both when they are employed and when they are applying for a job. If an employer discriminates against them, they (and their parents) can put a case to an Employment Tribunal. If they win the case, they may be able to claim for financial loss and damages for injuries to feelings.

A complaint form can be obtained from a Jobcentre or a Citizens Advice Bureau (CAB). CABs can also give advice about the complaints process.

As we all know, the employment situation is not easy, but it is also not impossible. Young people with additional needs regularly get both full and part time work. It does however often take a great number of applications and effort on behalf of the young person and their parents. If you contact your Additional Needs Pathway Adviser (See Contact Details p30) they will be able to advise you how to mount a campaign to look for work. Additional Needs Pathway Advisers will keep in contact and continue to guide young people through their job search.

Young people claiming Employment Support Allowance (ESA) and Jobseeker's Allowance (JSA) who are actively seeing work can ask the Job Centre for support. Job Centres have specialists called Disability Employment Advisers (DEA) and Work Coaches who may be able to help. Contact details can be found at: <https://www.gov.uk/contact-jobcentre-plus>

You can also be asked to attend the Work Programme which can help you prepare for work if you are claiming either JSA or ESA.

The Disability Employment Adviser/Work Coach can refer you to Papworth Trust or Seetec. (Seetec is a national organisation and is based at Henry Giles House. They see customers with all health conditions and should offer appropriate support.)

Papworth and Seetec can provide support in job seeking activities and the Work Programme. There are some mandatory referrals but anyone on ESA can volunteer to attend the programme if they wish. The referrals are made to each organisation on a random basis so customers cannot usually specify which provider they wish to attend.

Finance

16 – 19 Bursary

The 16-19 Bursary Fund helps 16- to 19-year-olds continue in education, where they might otherwise struggle for financial reasons. It is made up of two parts – bursaries of £1200 a year to the most vulnerable young people and a discretionary fund for schools, colleges, academies and training providers to distribute.

Young people in the defined vulnerable groups will receive bursaries of £1200 a year. This group is made up of children in care, care leavers, those on income support and those in receipt of both Employment Support Allowance (ESA) and Disability Living Allowance (DLA) / Personal Independence Payment (PIP).

Providers can distribute the rest of the money to support any student who faces genuine financial barriers to participation such as costs of transport, food or equipment. Providers will have the freedom to decide the scale and frequency of bursary payments. A bursary may be conditional on students meeting agreed standards, for example, behaviour and attendance.

The 16-19 Bursary Fund is administered by providers. Young people need to apply directly to their academy, school, college or training provider for support from the scheme.

For further info please go to:

http://www.cambridgeshire.gov.uk/info/20059/schools_and_learning/294/help_with_school_and_learning_costs/4

Child Benefit / Tax credits

If you are already receiving Child Benefit or any other related benefits such as tax credits, you may continue to receive them until your son/daughter turns 20 or until they leave full-time education if this is sooner. You will need to tell the Child Benefit Office if your child is continuing in full-time further education. For further information go to

www.hmrc.gov.uk/childbenefit/

T: 0845 302 1444

Employment and Support Allowance (ESA)

Following their 16th birthday your young person may be eligible to claim an incapacity related and/or income related benefit in their own right.

ESA can be paid from a young person's 16th birthday. Entitlement to this benefit will depend on passing an assessment for capability for work, and may involve a medical assessment. There are two separate elements to ESA: contributory ESA (CESA) is dependent on having paid enough National Insurance contributions and income-based ESA which has separate rules about savings and income.

To qualify for income-based ESA while in full-time education, young people must also be entitled to DLA / PIP.

It is worth seeking expert advice for a detailed calculation before applying, due to the impact on other benefits, such as Child Benefit and Child Tax Credit.

To apply for Employment and Support Allowance if your son or daughter is 18 - 25 phone the Job Centre Plus Contact Centre on 0800 055 6688.

<http://www.gov.uk/government/publications/employment-and-support-allowance-claim-form>

It is intended that Universal Credit will replace income based ESA and other benefits at some point before 2017.

Jobseekers Allowance (JSA)

Once your son / daughter is 18 and leaves school, if they are ready to enter work and are looking for a job they will be able to apply for JSA. Help may be available at their job centre through a Disability Employment Adviser or Work Coach.

To apply phone 0800 055 6688.

www.gov.uk/jobseekers-allowance/how-to-claim

Disability Living Allowance (DLA)

Many young people at special schools receive Disability Living Allowance. This is paid if a young person needs significant amounts of help to care for themselves or to move about. It is made up of a care component and a mobility component.

www.gov.uk/dla

DLA for people aged 16 and above is being replaced by a new benefit called Personal Independence Payment (PIP). When a young person reaches 16 their DLA is likely to end and they will be invited to claim the new Personal Independence Payment. It also has two parts - a daily living component and a mobility component.

www.gov.uk/pip

The Family Fund

4 Alpha Court, Monks Drive, York. YO32 9WN.
Tel: 0845 130 4542

www.familyfund.org.uk

If your son/daughter is under 18 and severely disabled, and your family has a low income and low savings, you may be able to apply to the fund for a grant. This might be for a holiday, a washing machine, furniture or a computer.

Transport post 16

Post 16 students will be expected to walk or use public transport to their educational provision unless they have a special educational need or disability which prevents them walking or accessing public transport (bus or train) or a bus service contracted by the council. Post 16 students who are unable to access public service transport or walk to school/college are able to apply for post 16 SEN transport. The student must be enrolled on a full time course either in school (mainstream or special) or College of Further Education. This must be the nearest appropriate centre to their home address offering an appropriate course for that student.

If these criteria have been met they may be eligible for subsidised transport up to the age of 25.

Further information regarding post 16 transport can be found at:

http://www.cambridgeshire.gov.uk/info/20059/schools_and_learning/496/school_transport/5

Social Care options for young people

Social Care Options for young People – Preparing for Adulthood:

Support to help young people to prepare for adulthood should start as early as possible and at least by the age of 14. It should be focussed on outcomes that are important to the young person.

Children’s Disability Services will work with children with a learning disability up to 18 years of age. The Learning Disability Partnership Young Adults Team will then take over and continue to support the young person up to 25 or as needed.

For other young people the Adult Social Care Teams (Physical Disability, Mental Health, Sensory, Autism and Adults Support Team (formally Vulnerable Adults)) will start to work with young people at age 16 to assess and develop adult support plans in readiness for the move to adult support.

For young people with learning disabilities who do not need social care before 18 years old, the Learning Disability Partnership Young Adults Team will start to work with them from age 16 to assess and develop adult support plans in readiness for the move to adult support.

For those who are likely to require support in adult life, they will need to be identified and placed on the Preparing for Adulthood Tracker via the Statutory Assessment Resources Team (START).

For more information about what services are available for your young person visit: www.cambridgeshire.gov.uk/careandsupport

There is information about Supported Living, Self-Directed Support, Domiciliary care, and a range of choices for health and social care services.

Housing / Accommodation Options

How do I find out what is right for me?

It is important that you think about what sort of housing you will need now or in the future. For example, do you want to live on your own or share with other people and will you need support?

Housing and support can be provided as a “package” but “pick and mix” arrangements which match individual requirements are increasingly common, particularly if someone lives on their own.

If a young adult feels that they will be able to live independently, with the support of your family and friends, then you should get a housing application form from your local council’s Housing Department so that you register the fact that you need accommodation.

You should include any information about having a learning disability on this form as this

Useful information and contacts

may mean you are given some priority as being vulnerable under the Housing Act.

There are quite long waiting lists for housing but registering as early as possible will help. To get a form and find out more about your options you can contact your local housing team.

If you feel you will need support then it is important that you have your needs assessed by a care manager from the learning disability team.

The care manager will work out with you what level of support you will require and what type of housing and support package will best suit your needs, and will also help you to fill in housing application forms.

Some housing and support options to choose from:

- Registered Care (regulated by the Commission for Social Care Inspection)
- Registered care homes
- Registered care homes are generally larger than group homes (see below) and can have twenty or more residents, although many are much smaller with typically three to nine residents.
- Personal care and full board are provided, and there's usually 24-hour staff cover.

Shared Lives scheme

In an adult placement (sometimes called 'adult fostering'), the local authority supports and supervises families who provide a place in their own home.

Some of these are registered while someone less disabled may be in supported lodging in an adult placement scheme, where they rent a room or bed-sit in a family home and receive minimal support.

Supported housing

Supported housing takes many forms - it means any type of housing and support which is not a registered care home. Although not inspected and regulated in the same way as registered

homes there are systems for checking that these services are safe and of good quality.

- Support agencies which provide personal care are registered with and inspected by the Commission for Social Care Inspection.
- The social and health care staff from the learning disability team continue to support and review people who take up places in supported housing schemes.

Group homes (or shared housing)

Group homes are usually smaller than registered care homes, with three or four people sharing. Support staff either visit regularly, or are there during the day and sometimes also overnight as well.

People who live there have tenancies and may do their own shopping, cooking and housework, with help from staff.

Cluster housing

Cluster units, either on one site (like sheltered housing for older people) or occasionally spread across a neighbourhood. Support staff are usually on hand and there may be shared facilities such as a laundry and communal lounge. Flats or bed-sits are self-contained.

This type of housing is often suitable for people who want to live more independently than in a home but still have some support.

Individual placements/renting

More people with learning disabilities are now renting properties from local authorities, housing associations, or private landlords and receiving "outreach" support - this means that someone will visit regularly and help with various aspects of daily living. There are also a few companies who specialise in renting to people with learning disabilities.

The Preparing for Adulthood Additional Needs Team

Previously LLDD team

As the Preparing for Adulthood Team we can offer you detailed advice and guidance in relation to education, training and employment as appropriate to your son or daughter. We can also give you a certain amount of information about the other issues discussed in this booklet, but may need to refer you to other agencies to ensure you and your son or daughter receive the information and support required.

If you would like to speak to someone, but don't know who to contact please contact our Additional Needs Pathway Co-ordinators in the first instance. The Preparing for Adulthood Additional Needs Team are:

Headway Cambridgeshire

Provides a wide range of activities and social rehabilitation for people with brain injury, some free, some for a small fee and some using your personal budget. We also support families and carers.

Outcome focused and goal-led, we provide encouragement to enable individuals to maximise their potential. You can choose from a range of sessions which support individual goals. This could be building physical fitness and stamina, improving daily living skills, increasing your social network, understanding and managing the effects of your injury or improving your wellbeing.

Support is provided at our two main hubs in Cambridge and Peterborough, but also in your own home and community.

Call us on 01223 576550 to find out more or visit our website at www.headway-cambs.org.uk

Mental Health:

YoungMinds

Offer free, confidential online and telephone support, including information and advice, to any adult worried about the emotional problems, behaviour or mental health of a child or young person up to the age of 25

If you are a concerned parent please call their dedicated helpline Monday to Friday between 9:30am-4pm. Helpline advisers are on 0808 802 5544 (free for mobiles and landlines).

www.youngminds.org.uk/for_parents/parent_helpline

CPFT (Cambridgeshire and Peterborough NHS Foundation Trust)

CPFT provides mental health services, community services, learning disability services and social care services across Cambridgeshire and Peterborough along with children's community services in Peterborough.

The Trust has launched the Psychological Wellbeing Service (IAPT) to help those who are suffering from stress, anxiety and depression.

People can now self-refer to the service.
